

How to get the scholarship

ONLINE APPLICATION

1 step:

Apply online: <https://apply.innopolis.ru/en/get-in/>

Complete the application form, which consists of:

- Online tests (English, programming and/or math test);
- Motivation letter;
- Portfolio (CV for Masters' candidates);
- Diploma/School leaving certificate;
- Recommendation letters (if available);
- Project descriptions (for MSIT-SE candidates only).

2 step

Submit the application and wait for results for 2-3 weeks. You will be notified about the results via e-mail.

ONLINE SELECTION STAGE

3 step

Those who successfully passed the online stage, will be **invited for an online interview** with faculty members of Innopolis University.

The purpose of the interview is to understand:

- your motivation to study at Innopolis University on particular program;
- your background in Math, Logic, Informatics and Programming (you may be asked to solve mathematical or logical and a programming task).

The interview will last around 30-40 minutes.

4 step

Receive the interview results in 2-3 weeks.

APPLICATION REVIEW RESULT
